U.S. Probation Officer Action:

It is respectfully recommended that supervision continue in the community with no change to conditions. Mr. Bear Runner agreed to placement at the Lake Region Residential Reentry Center (RRC) and was admitted to the facility on September 16, 2024. He completed an updated chemical dependency assessment on September 23, 2024, and began outpatient services shortly after. While at the RRC he completed outpatient chemical dependency treatment services. Also, while at the RRC, Mr. Bear Runner became employed and was employed until he was laid off for the winter season. Due to his cooperation with RRC placement and addressing his chemical dependency concerns, Mr. Bear Runner was permitted to return to his home in Belcourt on December 2, 2024. Since his return home, he has provided three negative drugs screens, and reported to his probation officer in person and over the phone as directed.
